FOREWORD

Welcome to the *Banks Walking Tracks Guide 2025, 2nd Edition*.

I launched this Guide in 2023 to assist local residents in finding information about local walking tracks. I have updated it to include 6 new walking tracks in 2025.

We are fortunate to have the Georges River on our doorstep in the Banks electorate. The Georges River National Park has different walking trails available to the public and this guide also includes walks from other areas of the electorate.

I hope this Guide will assist you next time you are looking to take advantage of the reserves, parks and rivers that are located in the Banks electorate.

Please do not hesitate to get in touch if there are any matters you'd like to discuss with me.
